VALENTINES DAY ACTIVITIES

Hug-a-thon - The Crossroads Crisis Center plans a Hug-a-thon for Valentine's Day this year. Crossroads is a shelter for battered women and as part of a fundraising effort will be encouraging people to participate in its First Annual Hug-a-thon. A Hug-a-thon is like a bike-a-thon or a walk-a-thon. Participants find people to sign their pledge sheets, promising them a certain amount of money for every time they complete some activity. In this case the activity will be hugging someone on Valentine's Day. Participants can pick up pledge sheets from both local K-marts, Value City, the Lima Mall Information Desk and the OSU/LTC Activities office in the basement of Galvin Hall. Huggers can hand in their pledge sheets on February 14 at the Alpine Village where a pizza party will be given in their honor. Give you honey a hug for Valentine's Day this year. Its for a good cause. For more information, please call Crossroads Crisis Center at 228-4357.

Carnations Sale - The Student Senate is sponsoring a community service project to benefit the Heart Association. Carnations will be sold on Valentine's Day in Galvin and Cook Halls.
